**MODERN SLAVERY POLICY**

**Version 001\_January 2024\_R. Allen**

Plastic Coatings Ltd are committed to improving our practices to ensure that there is no modern slavery or human trafficking in our supply chains, recruitment processes or in any other part of our business.

We believe in acting ethically and with integrity in all our business relationships to ensure slavery and human trafficking is not taking place anywhere in our business.

We conduct the proper recruitment checks on our employees to ensure they have the right to work in the UK and we pay their salary direct to their own bank account.

We ask our suppliers and any third parties who make referrals to us to comply with the principles of the Modern Slavery Act 2015.

Plastic Coatings Ltd is obliged to ensure that our supply chain shares the same zero tolerance approach to modern day slavery.
